

Franchising with Bluefrog POS

For any business large or small there may come a time when the opportunity arises to grow and duplicate it into a franchise, so it's important that your point of sale system can cater to these needs.

The Bluefrog Point of Sale system will allow you to manage multiple stores from a centralised location. You can rest assured that the POS system you purchase from Bluefrog POS is ready to grow with you, every step of the way.

To get an idea of how the system works in a franchise environment, simply visit our website to see the online video demonstrations at www.bluefrogpos.com.au

“Once a Bluefrog POS system is set up for your first business, getting it setup for your second and third is done seamlessly, with no down time!
You can trust that Bluefrog POS will grow together with your business, no matter how small or large”
